EXPERIENCE

MORSE Inc. — Human Computer Interaction Engineer

Cambridge, MA | January 2020 – June 2020

- Collaborate with cross-functional teams to define and design user experiences for mobile, desktop, and web applications
- Assist in designing the architecture for an Android aerospace application with a MVVM pattern
- Create and implement pixel perfect mockups for Android screens
- Conduct daily code reviews with other members on the team

Scout Studio — Studio Project Lead

Boston, MA | September 2019 – December 2019

- Lead a student team through branding exercises, website mockups, and site development
- Coordinated and lead semi-weekly meetings with a student team, client, and faculty advisors
- Developed a 10-year anniversary timeline website and gather quantitative data from Salesforce and qualitative data from interviews and surveys

Boston Children's Hospital — UI/UX Designer

Boston, MA | January 2019 – June 2019

- Integrated a dynamic and modifiable award and point system for a fitness web app using Angular
- Designed wireframes, prototypes, and logos for internal and external patient applications
- Revised over 20 static webpages to be responsive
- Performed five user experience tests on children and presented changes to a development team
- Reviewed and received critiques on work during weekly meetings with doctors and nurses

Northeastern University Association of Gaming Enthusiasts — Secretary

Boston, MA | January 2018 – May 2019

- Managed events every Friday and Saturday night for over 40 consistent members
- Pitched budgets for special events such as escape rooms and theme nights
- Engaged over 100 newcomers on Welcome Days through teaching dozens of games
